

Lincoln Insured IncomeSM Immediate Annuity

Fact Sheet

Issue dates

Contracts are issued each regularly scheduled Lincoln Financial Group workday.

Issue ages

- 15–80 for lifetime-based payment options
- 15–85 for lifetime-based payment options with a minimum guaranteed amount or number of payments
- 0–95 for period certain

The age to the nearest birthday will be used when the contract is issued. Once the contract is issued, the annuitant/joint annuitant, payment option and the frequency of payments cannot be changed. The contract is irrevocable – there are no surrender provisions available.

Minimum single premium

\$25,000; Period Certain \$10,000, qualified and nonqualified

Maximum single premium

(without prior Home Office approval)

\$2,000,000

The maximum premium limit is per contractowner, including previous contracts involving the same individual.

Payment frequency*

Annually, semiannually, quarterly, or monthly.

Payment start date

The first payment may be deferred up to 12 months from contract issue date.

Annual increase option

An optional annual compounded increase of 1%, 2% or 3% can be elected at issue.

Increase starts on the first anniversary of the payment start date.

This option decreases the initial scheduled payment.

Death benefit

Deferral phase: no death benefit until payments start, at which point it will depend on the payment option. Lifetime-based payment options do not have any death benefit (at any time).

Income phase: death benefit, if any, is determined by the payment option elected.

*If you are applying for a tax-qualified contract (e.g., IRA) and a Single Life Annuity or a Period Certain Only payment option, a period certain option of longer than 10 years is NOT available.
