# Liberty Life's Freedom Series Foundation Annuity can help provide you with the security of knowing your nest egg isn't vulnerable to market fluctuations.

The Foundation Annuity provides you with:

- Tax-deferred growth
- Access to your cash when you need it<sup>1</sup>
- An income stream for the future
- Opportunity to earn extra interest

#### Here's how it works

Funded with a single payment, the Freedom Series Foundation Annuity provides you with a guaranteed interest rate for five years.

With the power of tax deferral, your annuity earns interest that isn't taxed until it's withdrawn. As your interest grows, it too earns interest, compounding your earnings each year.

#### The guarantee period

The Foundation Annuity comes with a five-year initial guarantee period. At the end of the guarantee period, your annuity will earn tax-deferred interest at the current renewal rate in effect at that time.

The renewal rate depends on market rates and is guaranteed for one year. Thereafter, it resets annually on the contract anniversary date.

#### **Get extra interest**

Annuities with a value of \$100,000 or more will receive an additional interest rate credit to the already guaranteed annual interest rate.

#### **Return of premium guarantee**<sup>2</sup>

The return of premium feature is included at no additional cost and provides protection if you decide to surrender your annuity.

If you decide to waive this feature, you will receive additional interest on your single premium for the first five years only. If you waive the feature and then surrender your annuity, withdrawal charges may apply that can reduce the amount refunded below your single premium.

<sup>1</sup> May vary by state. Up to 10 percent of the beginning of the year account value may be withdrawn without withdrawal charges. Withdrawals are subject to tax on any gain in the contract and, if taken before age 59½, may be subject to a 10 percent federal tax penalty. In addition, withdrawals will reduce the death benefit and account value. You should consult a tax advisor regarding financial implications.

<sup>2</sup> Liberty Life Assurance Company of Boston's financial strength backs all of its obligations to pay claims under the policies it issues. In addition, Liberty Life Assurance Company of Boston's ability to pay those claims is backed by a written guarantee from Liberty Mutual Insurance Company.

## Penalty-free access to account values<sup>1</sup>

After the first contract year, you can withdraw up to 10 percent of the account value (minimum \$250) without a withdrawal charge, as long as the withdrawal doesn't bring your account value below \$10,000.

After the second year, a special carryover provision allows for a 20 percent no-charge withdrawal if you didn't make withdrawals in the previous year. Withdrawals exceeding these amounts may incur withdrawal charges, depending on the guaranteed crediting period you select.

## Additional benefits - just in case<sup>4</sup>

In certain serious health conditions, Liberty Life will allow for withdrawals or surrenders, and waive withdrawal charges if you or your spouse:<sup>4</sup>

- Becomes ill and requires a qualifying medical stay for 45 days out of any continuous 60-day period
- Is diagnosed as terminally ill

You can use this money for any purpose.
