Fixed interest rate guarantee period

Initial: One year **Subsequent:** One year

Interest accounts²

- Fixed Account
- 1 Year S&P 500 Performance Triggered

Interest rate

1 Year S&P 500 Performance Triggered interest will consist of:

- Base indexed interest rate credited daily and guaranteed to be between 1% and 3%; and
- Specified rate credited at the end of the indexed term.

Account allocations

Fixed Account: Amounts can be allocated into or out of the Fixed Account during the 25-day reallocation period after each contract anniversary date.

Indexed accounts: At the end of the indexed term, amounts can be allocated into or out of the available indexed accounts during the 25-day reallocation period, after the contract anniversary date.

The reallocation will be effective as of the contract anniversary date. The amount of the contract value available for reallocation on a contract anniversary equals:

- The Fixed Account value; plus
- The sum of the indexed account values.

(percentage of accumulation value surrendered)

Contract year	1	2	3	4	5	6	7	8+
	9%	8%	7%	6%	5%	4%	3%	0%

Nursing home and terminal illness benefits³

Allows access to contract value without surrender charge if certain conditions are met. Please see the Disclosure Statement for necessary criteria and conditions.

Partial surrenders⁴

Beginning in the first contract year, up to 10% of contract value may be withdrawn each contract year without incurring charges.

¹Purchase of the contract through a qualified plan does not provide any additional tax-deferral benefits beyond those already provided through the plan. If you are purchasing the contract through a plan, you should consider purchasing it for its death benefit, annuity options and other non-tax-related benefits.

²After the surrender charge period, Lincoln reserves the right not to offer any of the indexed accounts.

³Waiver of surrender charges for nursing home and terminal illness is provided through riders.

⁴Withdrawals are subject to income taxes, and if withdrawn before age 59½, a 10% federal penalty tax may apply. In addition, a surrender charge will apply during the surrender charge period.

Death benefit

Upon the death of a contractowner or annuitant, beneficiaries may receive the contract value (accumulation value). Death benefit is not available if a contract is annuitized.

Scheduled maturity date

Later of 10th contract anniversary or the anniversary on or immediately following the annuitant's 95th birthday. Maturity date may be changed to any date after the first contract year.

Choice of income options

After the first contract year, the full contract value without a surrender charge may be received under a number of income payment options.

A fixed indexed annuity is intended for retirement or other long-term needs. It is intended for a person who has sufficient cash or other liquid assets for living expenses and other unexpected emergencies, such as medical expenses. A fixed indexed annuity is not a registered security or stock market investment and does not directly participate in any stock or equity investments, or index.

Lincoln OptiChoice™ NY fixed indexed annuities (contract form 05-606LNY1) are issued by Lincoln Life & Annuity Company of New York, Syracuse, NY, and distributed by Lincoln Financial Distributors, Inc., a broker-dealer.

Contractual obligations are subject to the claims-paying ability of Lincoln Life & Annuity Company of New York.

The exact terms of the annuity are contained in the contracts and any attached riders, endorsements and amendments, which will control the issuing company's contractual obligations. For more information about the annuity, please also read the Client Guide and Disclosure Statement, or contact your representative.

Income taxes are due upon withdrawal and if withdrawn before age 59½, an additional 10% federal tax may apply. Withdrawals and surrenders may be subject to surrender charges and a Market Value Adjustment.
